

# 26<sup>TH</sup> NATIONAL TECHNOLOGY CONFERENCE & EXHIBITION

**(26-NTCE)**

**HOTEL AFRICANA  
KAMPALA – UGANDA**

*THURSDAY 17<sup>TH</sup> – FRIDAY 18<sup>TH</sup> AUGUST 2023*

## **EXHIBITION PACK**

**THEME:** *“Tapping Engineering Opportunities for Accelerated AfCFTA Implementation”*

*\*(AfCFTA: African Continental Free Trade Area)*

## 26<sup>TH</sup> NATIONAL TECHNOLOGY CONFERENCE & EXHIBITION (NTCE)

### NTCE Background

The Uganda Institution of Professional Engineers (UIPE) is planning to convene the 26<sup>th</sup> National Technology Conference and Exhibition (26–NTCE), from Thursday 17<sup>th</sup> – Friday 18<sup>th</sup> August 2023 at Hotel Africana – Kampala, under the theme, ***“Tapping Engineering Opportunities for Accelerated Africa's Continental Free Trade Area (AfCFTA) Implementation – Uganda's Perspective.”*** UIPE is a professional entity that brings together all engineers in Uganda, which started in 1972. Today, UIPE has a rich and wide spectrum of membership, with over 5,000 engineering professionals, namely: engineers, technicians, technologists, masons, among others.

The 26–NTCE is a regular UIPE forum, convened to provide interactive space where policymakers, development partners, practitioners (contractors and consultants), manufacturers and researchers gather to share engineering knowledge, innovations, experiences, research findings, interrogate science, cutting edge technologies and approaches, among other key issues.

The deliberations will focus on the following sub–themes, namely: (i) engineering procurement and contracting, (ii) transboundary engineering systems, (iii) digital transformation in engineering, (iv) industrialization, (v) agro–processing, (vi) engineering standards, (vii) engineering labour mobility, (viii) multi–lateral infrastructure: energy, road, rail, maritime and airfreight, (ix) mineral exploration and processing, (x) environmental protection and climate change mitigation, (xi) logistics handling and supply chain infrastructure, (xii) innovations. The deliberations will provide conference participants with a spectrum of plenary sessions, exhibition, side events, poster presentations, etc.

The poolside Exhibition, which will take place alongside all other conference deliberations, shall provide a great opportunity for both local and international engineering companies – contractors, manufacturers, consultants, suppliers, researchers, and other engineering service providers – to showcase some of their key products, innovations, research information and/or developed solutions.

**NB:** The serving points for teas, lunches and refreshments will be placed within the 26–NTCE Exhibition Area, including cocktail tables for networking.

### General Information on Exhibition

#### Standard Booths

All standard booth units are 3m x 3m = 9 m<sup>2</sup> (nine square metres, sqm)

#### Venue

Hotel Africana – Kampala, Uganda

#### Exhibition Dates

Thursday 17<sup>th</sup> – Friday 18<sup>th</sup> August 2023

**Exhibition Services**

Upon receipt of the exhibition rental contract by the organisers, all the prospective exhibitors will be serviced with a tax invoice.

<b>A–Rental Charges</b>	<b>Equipped Stand per m<sup>2</sup> (excluding VAT)</b>
Company (Local)	USD \$ 200 per sqm (UGX 760,000 per sqm)
Company (International)	USD \$ 260 per sqm (UGX 840,000 per sqm)
Arts & Crafts	USD \$ 40 per table (UGX 160,000 per table)

*\*fixed partitions, flag name–sign, 2 chairs, rectangular table, power connection and light.*

<b>B–Extra Costs (Optional)</b>	<b>Price (excluding VAT)</b>
Carpet	USD \$ 200
LCD Screen (50")	USD \$ 60
Fridge (small)	USD \$ 50
Extra décor	USD \$ 500

*\*costs charged for the two (2) days of exhibition*
